

Note: This is a list of models in the AHAM Verification program for 2019. The models on this list were produced between January and December of 2019. The certification values for these models will be found in the ENERGY STAR® Qualified Product Listing (QPL). This list will not match what is on QPL as the QPL is all models in the marketplace versus what this list of models that were in production during 2019.
